- 3 Check Unit Last Stand
- 4 Check Formation Last Stand
- 5 Check Victory Conditions
- 6 Reveal Ambushes
- 7 Roll for Reserves
- 8 Roll for Strike Aircraft
- 9 Remove Friendly Smoke Markers

### REMOUNT BAILED OUT TANKS (P. 43)

May not Move, Shoot, Bombard, or Assault. If Bailed Out again, pass Remount or Destroyed.

Score Remount rating to Remount.

### RALLY PINNED DOWN UNITS (P. 46)

Shoot with Moving ROF, cannot Move closer to visible enemy or Bombard.

Score Rally rating to Rally.

### CHECK UNIT LAST STAND (P. 60)

In Good Spirits if:

- No Teams Bailed Out or Destroyed, or
- 3 or more Infantry Teams,
- 2 or more Tanks (not Bailed Out), or
- 2 or more Gun Teams remain.

If not In Good Spirits, score Morale rating or Unit is Destroyed.

### CHECK FORMATION LAST STAND (P. 61)

If Formation doesn't have at least two Units on table or in Reserve, it is Destroyed.

### BORN IN THE NORTH (P. 66)

If Unit is Destroyed, roll Morale rating to return as a new Unit in Reserves. Choose to Destroy Unit before Unit Last Stand test.

### CHECK VICTORY CONDITIONS (P. 185)

Most games end when player starts their turn Holding an Objective or with six more Victory Points than the opponent.

### REVEAL AMBUSHES (P. 187)

Place Teams in Deployment Area, not within 4"/10cm of enemy, 16"/40cm if in Line of Sight unless Concealed by Terrain.

### ROLL FOR RESERVES (P. 188)

Roll one die first turn of Reserves, two dice second turn, three dice third turn, etc. Each score of 5+ brings on a Unit.

### GUERRILLA FIGHTERS (P. 66)

Roll when Guerilla Fighters arrive from Reserve:

- 1 to 4: deploy in numbered quarter
  - 5 or 6: deploy in any quarter
- Must be deployed at least 12"/30cm from all enemy teams.

### ROLL FOR STRIKE AIRCRAFT (P. 25)

On a score of 4+, a Unit of Strike Aircraft arrives until the end of the turn.

MOVEMENT

### STAYING IN COMMAND (P. 27)

- within 6"/15cm of Unit Leader, or
- within 8"/20cm of Unit Leader if Unit has eight or more Teams.

### OUT OF COMMAND (P. 27)

If not In Command, Team must:

- remain in place,
- Move at Tactical with +1 penalty on score To Hit when Shooting, or
- Move at Dash towards Unit Leader.

### MOVING THROUGH TERRAIN (P. 28)

Move at Tactical and Shoot or Assault, or Move at Terrain Dash.

### DIFFICULT TERRAIN (P. 28)

Score Cross rating or stop Moving.

### CROSSING MINEFIELDS (P. 202)

If Move within 2"/5cm of Minefield or over Booby Trap, score Skill rating else hit with Anti-tank 5 (3 if Guerilla) and Firepower 1+.

### MOVEMENT ORDERS (P. 32)

Unit Leader can issue one Order per turn to Teams that are In Command.

### BLITZ MOVE — BEFORE MOVING

Score Skill rating to Move Teams up to 4"/10cm. Can only Move at Tactical this turn. If do not Move further, Shoot with Halted ROF. Otherwise, Teams from the Unit cannot Dash and suffer the +1 to hit penalty for Moving Out of Command.

### CROSS HERE — WHILE MOVING

Teams Crossing Difficult Terrain reduce Cross rating by 1 within 6"/15cm of Leader.

### FOLLOW ME! — AFTER MOVING

Move Unit Leader forward 4"/10cm, then Score Motivation to Move Teams forward 4"/10cm. Pass or fail, teams that are In Command cannot Shoot.

### SHOOT AND SCOOT — ASSAULT STEP

Score Skill rating to Move Teams that did not Move, up to 4"/10cm.

### DIG IN — MOVEMENT STEP

### MINE CLEARING — MOVEMENT STEP (P. 202)

If not Pinned Down, Infantry remove Minefield within 2"/5cm (after entering Minefield last turn). Cannot Move further, Shoot, Bombard, or Assault.

### PASSENGERS (P. 30)

Dismount at the start or Mount at the end of Movement. If not yet Moved, Transports can Move at Dash after Passengers mount.

### TRANSPORT HELICOPTERS (P. 31)

Transports land at the end of their Movement. Next turn Passengers Mount or Dismount and Transports take off. Transports cannot land within 4"/10cm of enemy and immediately take off if any enemy move within 4"/10cm.

SHOOTING

### SHOOTING STEP (P. 34)

- 1 Check Range
- 2 Check Line of Sight
- 3 Check for Concealment
- 4 Declare Targets
- 5 Rotate to Face
- 6 Roll to Hit
- 7 Assign Hits
- 8 Roll Saves

### WHICH WEAPONS CAN FIRE (P. 34)

Tanks or Aircraft may either fire all of its Machine-guns, or one other weapon.

Infantry or Guns may fire one weapon.

Cannot Shoot if Dash, Follow Me, or Cross Here.

Pinned Down Teams shoot as Moving

### LINE OF SIGHT (P. 36)

Tall terrain blocks Line of Sight after 2"/5cm unless Range is 6"/15cm or less. Buildings and Hills block Line of Sight. Line of Sight to Aircraft is never blocked.

Smoke Screen blocks Line of Sight if Range is more than 6"/15cm.

### CONCEALMENT (P. 37)

Concealed if entirely behind or in Tall or Short terrain, or at least half hidden by Buildings or Hills.

Stationary Infantry are Concealed.

Gun Teams in Foxholes are Concealed.

### GONE TO GROUND (P. 26, 40)

Teams that don't Move, Shoot, or Assault are Gone to Ground. Scouts can Move and still be Gone to Ground.

### HOW MANY DICE (P. 40)

Roll one die per point of ROF. Halted ROF if did not Move and not Pinned Down, otherwise Moving ROF.

### SCORE TO HIT (P. 40)

Roll Target Team's Is Hit On number:

Add +1 to score needed if:

- Range is over 16"/40cm
- Concealed (but not Gone to Ground)
- Shooter moved Out of Command
- Shooting through Smoke
- Shooting at Night

Add +2 to score needed if:

- Concealed and Gone to Ground

### 7+ OR MORE TO HIT (P. 40)

If need 7+, must roll 6 followed by 5+  
If need 8+, must roll 6 followed by 6

## SHOOTING

### ASSIGN HITS (P. 41)

First hit must be assigned to target.  
Remaining hits assigned evenly to:

- Valid targets
- Part of same Unit as target Team
- Same type as target Team
- Within 6"/15cm of target Team

### MISTAKEN TARGET (P. 41)

On 3+ target player can swap all swappable hits between two Teams. If they succeed, they can roll again to swap hits between another pair. Tanks must be more than 8"/20cm and Infantry or Guns more than 4"/10cm away to swap.

### ROLL ARMOUR SAVES (P. 42)

Target player rolls and adds:

- Armour rating
- +1 if range is over 16"/40cm

Outcome:

- If greater than Anti-tank, no effect.
- If equal to Anti-tank, roll Firepower Test to Bail Out tank.
- If less than Anti-tank, roll Firepower to Destroy tank, otherwise Bail Out.

### OTHER SAVES (P. 44)

Roll Save, otherwise Destroyed. If Infantry or Gun in Bulletproof Cover, or Aircraft, must roll Firepower to Destroy.

### PINNED DOWN (P. 46)

Pinned Down if Unit takes a total of 5 hits. If at least 12 Teams, only Pinned Down if Unit takes a total of 8 hits.  
Armoured teams and Aircraft cannot be Pinned Down.

### SHOOTING AIRCRAFT (P. 35)

Nothing blocks Line of Sight for Aircraft. Aircraft are only Concealed by terrain within 4"/10cm of ground troops.  
Only Anti-aircraft (AA) weapons can shoot at Strike Aircraft. AA, Anti-helicopter, and Infantry (not Heavy Weapons) can shoot at flying Helicopters.  
Can shoot in own Shooting Step or immediately before Aircraft shoots in enemy Shooting Step. If they shoot in enemy Shooting Step, they cannot Defensive Fire, Shoot next Shooting Step, or Assault next Assault Step.

### ANTI-AIRCRAFT ROF (P. 40)

Dedicated AA weapons shoot at full ROF. Other AA weapons shoot at ROF 1, with +1 to hit if already ROF 1.

### SHOOTING ASSAULT BOATS (P. 45)

Assault Boats are Damaged rather than Destroyed. First two Damage have no effect. Third Damage immobilises and beaches boat. Fourth Damage Destroys it. Instead of Shooting an Assault Boat may roll Skill rating to reduce Damage by one.

### KILLING COMMANDERS (P. 45)

Appoint another Team from HQ or roll 3+ to appoint another Team within 6"/15cm.

### TRIAGE & MEDEVAC (P. 200)

Team is Destroyed on roll of 5+, otherwise Wounded. If Wounded again it is Destroyed.  
Wounded Shoot with Moving ROF, cannot Charge, can transfer Wounded to another team within 2"/5cm before Moving.  
Triage team can have three Wounded, but is Destroyed by fourth. Medevac helicopters can have six Wounded, and remove all of them by Loitering.

## ARTILLERY

Pick an Aiming Point in Line of Sight of Spotting Team. Template cannot be within 4"/10cm of friendly Teams (8"/20cm if Aircraft).

### ROLL TO RANGE IN (P. 49)

Three attempts to Range In on Skill. Add +1 to score needed if:

- Template would cover Short or Tall Terrain or Smoke Screen
- Ranging In at Night

### ADDITIONAL BATTERIES (P. 49)

If Range In, Spotting Team can use rest of rolls to Range In another Unit.

### ROLL TO HIT (P. 50)

Roll to hit each Team under Template.  
Roll Target Team's Is Hit On number:  
Add +1 to score needed if:

- Ranged in on Second Attempt
- Repeat Bombardment where Spotting Team can't see Aiming Point.

Add +2 to score needed if:

- Ranged In on Third Attempt.

### ROLL SAVES (P. 50)

Roll saves as for Shooting, except tanks use Top armour, and no Bulletproof Cover behind terrain or Gun Shield.  
If Repeat Bombardment, re-roll Infantry and Gun Saves.

### PINNED DOWN (P. 50)

Infantry, Gun, and Unarmoured Tank Units are Pinned Down by 1 hit.

### NUMBER OF WEAPONS FIRING

NUMBER	MODIFIER
1 or 2	Re-roll Hits
5 or more	Re-roll Misses

### SMOKE BOMBARDMENTS (P. 52)

Smoke Screen is 4"/10cm per weapon firing. Blocks Line of Sight unless Range is 6"/15cm or less. Must be fired at the beginning of Shooting Step.

## ASSAULT

### ASSAULT STEP (P. 53)

- 1 Charge into Contact
- 2 Opponent's Defensive Fire
